The perfect location
for your perfect day.

Imagine your next event. What will you do to make it a unique and memorable experience? The Thompson House Museum offers rentals of the grounds and Visitor's Center to make your special day a memorable one for you and your guests!

Built in 1890 by C. F. Matthes and Son for G. I. & Sophia Thompson, the Queen Anne style home is listed on the national and state registers of historic places. The newly rejuvenated gardens make for a vibrant background for all events. Best of all, the Museum staff will work with you to make your dreams a reality!

The Thompson House Museum is located in Hudson, Michigan. The site offers easy access from US 127 or M-34. Nestled in a residential community, the Museum setting is quiet and picturesque!!

Outdoor Rentals:

Situated in the quiet residential district of Hudson, the Thompson Museum gardens provide a breath-taking backdrop for your event. Enjoy the naturalistic formal beds surrounded by privet hedges and brick pathways. The rose gardens provide a fantastic backdrop for your wedding vows. A large grassy lawn can accommodate tents for tables and chairs.

Indoor Rentals:

The Thompson Museum's modern Visitor's Center provides a cozy setting for smaller gatherings. The open setting of the Center allows for numerous ways to accommodate your desired set up. Tables and chairs are available for your use.
